

# Diggers Services Club

## RSA

The Management and Staff of Diggers Services Club want all members and guests to enjoy themselves whilst in the club. It is our aim to serve people with alcoholic beverages in a professional, friendly, safe and responsible manner.

It is the policy of this establishment to refuse service to any person for any of the following:

**1. Underage Drinking:** The only forms of acceptable identification are Drivers Licence, Proof of Age Card, Passport or Victorian Keypass. If you cannot produce identification you will be refused service. These conditions also apply to take-away sales and service.

Underage patrons must be at all times under the supervision of their parents or guardians. They must be well behaved, seated and at no times at or near the bars or in the gaming area.

**2. Intoxication:** Members and guests will not be allowed to drink to excess and place themselves, other patrons or the community at risk.

We will not engage in practice or a promotion that encourages rapid or excessive consumption of liquor. Only one drink per person will be supplied for 'Last drinks' at the conclusion of promotions and at close of trade. Low and non- alcohol alternatives will be provided.

Unduly intoxicated patrons will be refused service. These conditions also apply to take-away sales and service.

**3. Violent, Quarrelsome or Disorderly Behaviour:** Such behaviour will be handled appropriately by Club Management and Staff, or, if required, by the Judiciary Committee of the Board.

**4. Non-compliance to Licensed Trading Hours:** Licensed trading hours will be adhered to at all times. Take-away sales are not to be removed from the Club premises outside Club trading hours. These conditions also apply to staff 'knock off' drinks and vacating premises after working hours.

By working together, we can create a safe, enjoyable and friendly atmosphere for all to enjoy.
